CONCLUSION AND SONG

Story of John Knox and
Give me Scotland or I die.
What the Queen of
Scotland said about him
and the armies of
Scotland. Our statement
should be that God should
give us or we die

2 Stand up, stand up for
Jesus,
the trumpet call obey;
forth to the mighty
conflict
in this his glorious day.
Ye that are men(women)
now serve him
against unnumbered
foes;
let courage rise with
danger
and strength to strength
oppose.
