Thus Far The LORD Has Brought Us...

Four years ago, PENSA International was launched:

- To unleash an army of Spirit-filled young men and women to possess nations and to help expand the frontiers of Pentecostal evangelism
- Centered on the proposition that young people – students and alumni alike - can be vessels for evangelistic outreach

COVID-19 accelerated global connectivity and cooperation among people worldwide... And expanded our evangelistic outreach

- COVERED
- IWIG training
- Launched and Commissioned PENSA branches across the world

**Into The World
We GO!!!!!!!!!!!!**

**God Does NOT Call People to Have Them Sit
Still... He Calls To Empower For Maximum
Impact!**

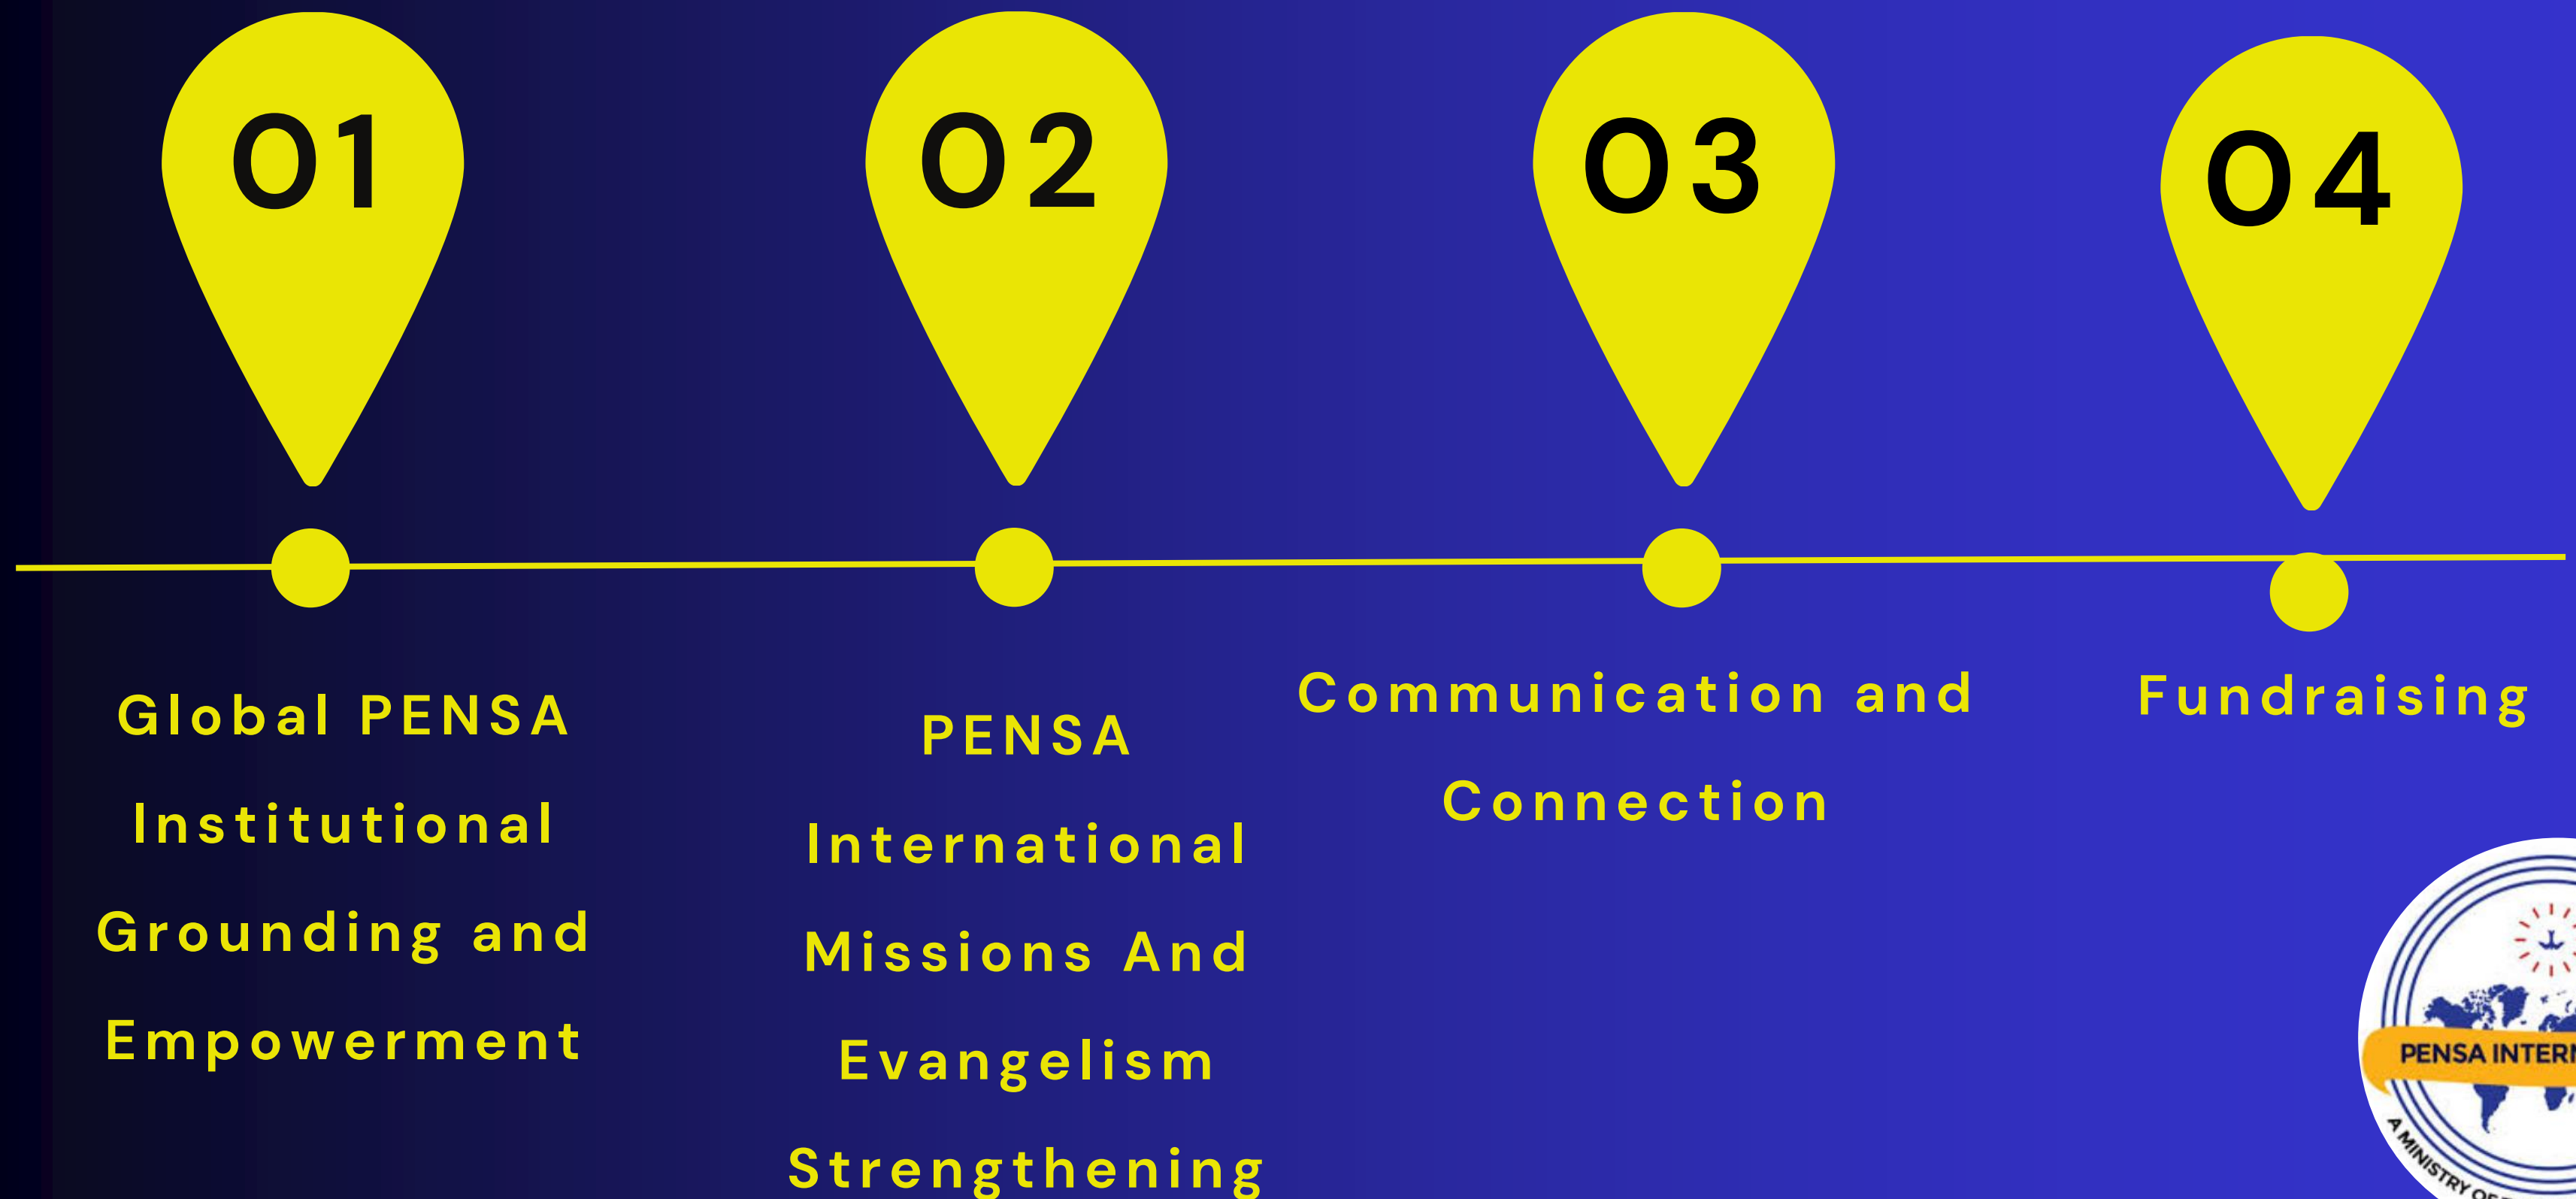

ORGANIZE, ORGANIZE, ORGANIZE!!!

- Kwame Nkrumah's clarion call for Independence: "All men of goodwill, organize, organize, organize!!!"
 - OUR Clarion Call: *"Every Nation MUST Have A Vibrant and Spiritually Healthy PENSA Ministry!"*
 - We are preaching/raising a Kingdom that is far, far, far greater than anything that politics and the institutions of men can offer; our organizational tools must be sharper
- Our Command Is The Great Commission Concerning The Eternal Destiny Of All Mankind

HOW DO I PLUG INTO THIS PENSA INTERNATIONAL VISION???

THE 3YR STRATEGIC VISION OF PENSA INT'L (2023-2026)

01

Global PENSA Institutional Grounding and Empowerment

Recognizing that organizations thrive - or flounder - on account of the strength of leadership, our driving objective is to develop and implement a training program that will strengthen organizational resilience and leadership skills across all newly established and growing PENSA branches by the end of 2024.

01

Global PENSA Institutional Grounding and Empowerment

Build and Ground Spiritually Healthy PENSA Ministries

- We must double our efforts to strengthen all the newly created and emerging PENSA Ministries
 - Consistent and Intentional discipleship and training of national PENSA leaders
 - Using internal and peer resources
- Amplify the domestic/national PENSA agenda at a global level with National Heads through workshops and various dialogues and programs.

02

PENSA International Missions And Evangelism Strengthening

- *Guided by the Great Commission in Matthew 28:18–20, our goal is to expand the reach of the Church of Pentecost’s evangelistic work by establishing 10 new PENSA Establishment Ministries in nations previously unreached, and 10 New PENSA Grounds-breaking Missions by the end of 2026.*

*This goal will be achieved with intentional emphasis **on** minimizing dependence on external missionaries, while building local and regional RCC capacities for sustained growth and discipleship.*

02

PENSA International Missions And Evangelism Strengthening

Re-commit ourselves to the fact that PENSA Ministries MUST be missiological by design.

- Evangelism and outreach must be baked into the DNA of our PENSA Ministries
- This will require us to draw up national and RCC level strategies for tapping our PENSA alumni and students to advance the frontiers of soul -winning both domestically and across borders
- Each national strategy will be unique, but we must engage our PENSA alumni as a matter of necessity
- Amplify the domestic/national PENSA agenda at a global level with National Heads through workshops and various dialogues.

03

Communication and Connection

In collaboration with our global network of PENSA students and alumni, we aim to roll out a global digital communication platform that will connect all PENSA members by the end of 2024, with a target of achieving at least 50% active usage by the end of 2025.

Additionally, we will launch the PENSA International Professional Network to enhance professional networking and mentorship opportunities among our members.

03

Communication and Connection

We must continue to push the frontiers of intentional cross-border connectivity among the PENSA and youth fraternity worldwide

- Invest in a technological platform to bridge physical distance and enhance global collaboration among PENSA alumni and students globally
- Enhance Pensa International's version of the Pentecost Professional Network on a global scale

04

Fundraising

To support the execution of our strategic objectives, we aim to raise a global fund of \$300,000 by the end of 2025.

Funding will be sourced from individual donations, corporate sponsorships from like-minded entities, and a seed grant from the Church of Pentecost's global evangelism budget.

Fundraising

- **Fundraising Team:** Establish a dedicated fundraising team, with representatives from various PENSA branches
- **Corporate Sponsorship Package:** Develop a corporate sponsorship package outlining the shared objectives of the PENSA International 3-Year Vision, highlighting its benefits for sponsors, such as visibility, networking opportunities, and the potential for global impact.
- **Annual Music Festival - A Praises and Worship Global Experience** To Raise Awareness and Funds for PENSA International Missions operations

Jeremiah 1:5–10 (ESV)

“Before I formed you in the womb I knew you, and before you were born I consecrated you; I appointed you a prophet to the nations.” 6 Then I said, “Ah, Lord GOD! Behold, I do not know how to speak, for I am only a youth.” 7 But the LORD said to me, “Do not say, ‘I am only a youth’; for to all to whom I send you, you shall go, and whatever I command you, you shall speak. 8 Do not be afraid of them, for I am with you to deliver you, declares the LORD.” 9 Then the LORD put out his hand and touched my mouth. And the LORD said to me, **“Behold, I have put my words in your mouth. 10 See, I have set you this day over nations and over kingdoms, to pluck up and to break down, to destroy and to overthrow, to build and to plant.”**

THANK YOU
